

## WHO ARE WE

Established in 2007, Jubilant Bhartia Foundation (JBF) is the not-for-profit organisation of the Jubilant Bhartia Group. The foundation focuses on conceptualising and implementing the Corporate Social Responsibility (CSR) initiatives for the Group. The Jubilant Bhartia Foundation's activities include various community development work, healthcare programs, cultural and sports events, environmental preservation initiatives, vocational training, women empowerment, educational activities and promotion of social entrepreneurship in India.

## JOINING HANDS TO FIGHT COVID-19

Government at both central and state level is taking stringent, timely and commendable actions against the spread of COVID-19 in the country. Jubilant Bhartia Group companies are committed to support these measures and fight the pandemic at the grass-root level. Through on-ground initiatives in the areas of health & safety, food distribution, communication, sanitization and support to the administration across various locations in the country, JBF aims to protect the employees, community members and authorities from COVID-19.

**JBF has been taking several measures over the last few weeks to protect its stakeholders from this global unprecedented crisis. The highlights from last week's community initiatives include:**

## 1

### Jubilant Bhartia Group Contributes ₹10 Crore to PM Cares Fund

Jubilant Bhartia Group, has contributed **₹10 Crores** to PM Cares fund to support Government of India's initiatives in mitigating the COVID-19 crisis. Two group companies: Jubilant FoodWorks Limited (one of the largest food service companies in India and master franchise of Domino's Pizza and Dunkin' Donuts) and Jubilant Life Sciences Limited (an integrated global pharmaceuticals and life sciences company) contributed **₹5 Crores** each to the fund. The contribution of Jubilant Life Sciences Limited, along with all its subsidiaries, includes one day gross salary of its **5300 employees**.

The Jubilant Bhartia Group companies are committed to support the Government, both central & states, in controlling the spread of the COVID-19 pandemic in the spirit of the Group's promise of Caring, Sharing, Growing.

## 2

### Awareness Generation

The JBF team organised several awareness generation workshops on COVID-19 in **11 villages** of Bharuch in Gujarat. Additionally, **50 company** workers were also given awareness training on COVID-19 at Savli, Gujarat. These workshops and awareness training sessions have a ripple effect in spreading consciousness on the subject in the community. One trained community member takes his knowledge to other members and the overall impact hence generated is much greater and helps the community be better prepared to fight the disease.

3

### PPE Kits to Delhi Police

JBF has been supporting the frontline workers fighting the pandemic across the country. These frontline workers include doctors, nurses, health-care volunteers, local administration, police and many others. Being at the forefront makes them more vulnerable to infection. Keeping these vulnerabilities and the criticality of their role in mind, the JBF team came forward to support the Delhi Police with PPE (Personal Protective Equipment) kits for managing the COVID-19 crisis. The PPE kits worth ₹12,50,000 are being procured through a Jan Aushadhi Drug Store in Gajraula, Uttar Pradesh.

4

### Food & Essentials Distribution

The JBF team has been supporting the marginalised and vulnerable members of the community like migrant workers, pregnant and lactating mothers, old citizens, children etc through free distribution of ready to eat food packets and groceries amidst this pandemic. They have already distributed dry ration to several community members at various locations around the country so that they do not have to struggle for basic items amidst the lockdown.

#### Recently the team undertook the following

- JBF contributed **6400 L** of refined oil for the community kitchen at Amroha in Uttar Pradesh. The team had earlier contributed, ₹5, 26,516 towards the establishment of this kitchen to the Hon'ble. MP of Amroha, Uttar Pradesh.
- The team distributed **800** ready to eat food packets among slum dwellers and people residing at the leprosy centre at Gajraula in Uttar Pradesh.
- Grocery items were distributed to **150 community members & 100 widows** in the fishing community at Bharuch in Gujarat
- Grocery items were given way to **300 people** in need at Nira

## Distribution of Masks, Gloves & Temperature Gun

The foundation has been distributing free of cost masks to its community members, employees and authorities for protection amidst the virus outbreak. The team has also been facilitating the stitching of face-masks through several Self Help Groups (SHGs) across the country at multiple locations.

### This week the JBF team undertook the following initiatives in facilitating face-masks

- Contribution of **1000** synthetic masks to the SDM's office, Amroha in Uttar Pradesh
- Contribution of **400** synthetic masks to SDM, Tehsildar, SHO and police at Roorkee in Uttarakhand
- Contribution of **10,000** masks & **1000** gloves to Mysore District Administration
- Facilitation of **200** masks prepared by Self Help Groups (SHGs). These were later given away to a local NGO, media personnel, employees of the company & contractual workers in Bharuch, Gujarat
- Contribution of **10,000** masks stitched by SHG and facilitated by JBF given to Taluka Livelihood Manager in Savli, Gujarat. Over **300** masks distributed to the community members
- A temperature gun is given away to Primary Health Centre at Nira

## Manufacturing and Distribution of Hand Sanitizers

To fight the COVID-19 pandemic, Jubilant Life Sciences Limited (a Jubilant Bhartia Group company) quickly took necessary approvals from the government authorities & realigned its manufacturing facility, to manufacture hand sanitizers for free distribution. The company developed formulation for hand sanitizers using its own produced Ethanol.

JBF has been distributing free hand sanitizers to community members, health care workers, local administration, police and other vital personnel fighting the disease at the frontline across the country.

### In the past one week, JBF has undertaken the following hand sanitizer distribution

- **15,000** bottles of **100 ml** sanitizer distributed in the Nagar Palika area of Gajraula
- **800 L** sanitizer distributed to District Administration, Amroha in Uttar Pradesh
- **25 L** of sanitizer distributed to the police station for patrolling party and amidst Vorasamani villagers at Bharuch, Gujarat
- **80 L** of sanitizer contributed to the SDM, Tehsildar, SHO and police personnel at Roorkee, Uttarakhand
- **110 L** sanitizer distribute to Mysore District Administration **70 L** sanitizer distributed to various departments like Post Office, Village Panchayats , Police & Primary Health Centre in Nira

## JUBILANT FOODWORKS LIMITED (JFL): ACTIONS AGAINST COVID-19

In the past few weeks Domino's Pizza (JFL owns exclusive rights to develop and operate Domino's Pizza brand in India, Sri Lanka, Bangladesh and Nepal) through its numerous measures has been supporting the efforts of the Government at both central & state level and the local administration in fighting the COVID-19 pandemic.

Domino's has been taking several measures to ensure the safety and well-being of its employees and customers at various locations across the country. As a rule, all Domino's Safe Delivery Experts are **100%** company employees and follow heightened sanitization and hygiene protocols at all its restaurants. It has moved all its deliveries to Zero Contact Delivery thereby avoiding any physical contact with the customer. All employees in the stores are being temperature screened every day and follow a mandatory hourly hand wash protocol for a minimum of **20** seconds. Domino's is also deep sanitizing its restaurants as well as delivery bikes, boxes and pizza hot bags every **four** hours.

## OTHER INITIATIVES BY THE JFL TEAM ACROSS THE COUNTRY INCLUDE

### Madhya Pradesh

JFL's Bhopal team, with the support of D.I.G of police distributed pizzas in the police control room. The team served pizzas and were in-turn rewarded with the happiness and smiles on the faces of these frontline officers.

## Karnataka

Continuing its efforts to help the front-line warriors, the JFL team in Bengaluru distributed pizzas to police officers in Singsandra and Bommasandra areas. These areas are COVID-19 hotspots which require officers to be extra cautious. Hence, the JFL team reached out to these warriors to help them on their duty.

## West Bengal

In Kolkata, the JFL team contributed pizzas to front line police officers on duty. The team distributed the pizzas while following all necessary protocols of safety such as social distancing, wearing masks, frequent use of sanitizers among others. The team also shared best practices with each other.

## Chhattisgarh

In Raipur, Chhattisgarh, the JFL team distributed pizzas, garlic breads and cold drinks under the supervision of Assistant Inspector General Police, Additional Superintendent of Police & Deputy Superintendent of police. In Durg, the JFL teams delivered garlic breads and pizzas for the front line medical staff.

## Jharkhand

The JFL team in Ranchi and Hazaribagh distributed pizzas to Bariatu & Sadar police stations, pizzas to Lalpur police station and pizzas to the Hazaribagh police station. Proper social distancing and correct hygienic measures were followed during the distribution

## OTHER INITIATIVES – DOMINO'S CARES

JFL had started developing a central mechanism which could be extended where-ever necessary. A centralised team was formed with key stakeholders from all functions. With the approval from the local authorities, the team started delivering garlic breads and buns to government run camps. Since the initiative's pilot delivery, JFL has delivered **60,000** buns and **1,620** garlic breads in Noida and **12,000** buns in Ghaziabad. The company is planning to scale up the project to other cities including Bengaluru and Mumbai. JFL will be able to successfully use these mechanisms to act against any calamity, even faster in the future.

## Delhi

JFL's Delhi team delivered **2,000** PPE kits to the Sadar Bazaar police station recently. These kits will further be distributed in all police stations in Delhi. The police officers appreciated the efforts of JFL team in equipping them with the necessary safety equipment without which they would have been at a much higher risk of exposure. The JFL team felt honoured to stand next to the brave officers who risked their lives every day to ensure the safety of citizens.

JFL teams delivered more than **2,500** pizzas to **48** police stations across four districts in Delhi this week. The officers on duty since morning, ensuring the safety of citizens, were delighted to receive gratitude towards their service through these pizzas delivered to them. The JFL team was equally honoured to be in the company of brave warriors. Some police officers also expressed their affinity for Domino's for serving the community.
